27 Plaintiff Tatyana Drevaleva herein requires to transfer the case to the San Francisco  
28 division.

Currently, I am residing in Monterey, CA. Currently, I am unemployed, and I am  
receiving Food Stamps and General Assistance from Monterey County. I am respectfully asking  
the Court to transfer my case to the San Francisco division for the following reasons:

- 1       1) I need to deliver Chamber copies to the Court room. I have a friend of mine who lives  
2       in San Francisco at Civic Center. My friend's name is Ms. Liliya Nagul. She agreed  
3       to help me delivering the Chamber copies to the Courthouse in San Francisco for free.  
4       If I mailed the Chamber copies to the Courthouse in San Jose, I would spend a lot of  
5       money for overnight mail that I can't financially afford now  
6       2) It will be easier for me to come to San Francisco for the Case Management  
7       Conference and to a Jury Trial and spend nights at Liliya's place for free. If I went to  
8       the trial in San Jose, I would spend a lot of money for renting a hotel room that I can't  
9       financially afford now  
10      3) It is much easier for me to go to the Courthouse in San Francisco using public  
11       transportation than to go to the Courthouse in San Jose. Currently, I don't have a car,  
12       and I rely on public transportation. The Courthouse in San Francisco has a wonderful  
13       BART connection.

14      **Conclusion.**

15      Based on everything stated above, I am respectfully asking the Court to transfer my case  
16      to the San Francisco division.

17  
18      I declare under the penalty of perjury under the Federal laws and the laws of the State of  
19      California that the foregoing is true and correct. Executed at City of Monterey, CA, on June 28<sup>th</sup>,  
20      2018.

21  
22      Respectfully submitted,
